## **DETAILED PROFESSIONAL EXPERIENCE**

Individual Psychotherapy. Thirty years experience with adult, child psychotherapy. Emphasis is on dynamic and behavioral strategy where appropriate. Worked with clients with most personality styles and areas of concern: developmental, sexual adjustment, relationship, depression, anxiety, borderline psychotic, assertion deficit, etc. Extensive experience with crisis intervention in both situational and developmental areas. Familiarity and facility with various psychodynamic and behavioral techniques, the latter including behavior analysis and monitoring, systematic desensitization, self-assertion skill training, and cognitive restructuring. Personal approach is flexible with essential focus being on the client as an individual rather than on theoretical assumptions or technique. Ongoing private practice with adolescents, adults and older persons, 1977 to present.

Group Psychotherapy. Group leadership in therapy, growth, and sensitivity modalities. Used behavioral procedures such as relaxation, desensitization, assertion training and relationship building. Worked in ongoing, 'one' shot, open-ended and time-limited structural arrangements, Counseling Psychological Services Center, (CPSC). Trained in a variety of theoretical orientations including Developmental, Behavioral, Gestalt, Reality Therapy, and Transactional Analysis, Reality Orientation, and Remotivation Therapy. Group therapy leader for psychology interns, Austin State Hospital, Fall, 1978 and Fall, 1979 and Counseling Psychology doctoral students, 1986.

Marriage and Family Therapy. Experience with family therapy University College, Dublin (UCD) involved clinical assessment, interviewing, child psychotherapy and conjoint family therapy. Engaged in extensive marriage and divorce counseling in both individual, multiple and conjoint therapy modalities. Clinical member, American Association for Marriage and Family Therapy, 1974. Involved with the marriage and family training program at CPSC as supervisor and trainer. Coordinated and led training sequences in marriage and sexual problems counseling for pastoral counselors in university, military and community settings. Trainer of professionals in counseling older adults and their families. Ongoing private practice with couples and families. Special interest in problems of intergenerational family relations.

Consultation and Community Services. Worked as a consultant in a variety of settings, including: case-centered consultant in Montopolis Community School, Austin (1972). Trainer with Intercooperative Society (off-campus cooperative housing) in decision-making process and organizational development (National Conference of the Intercooperative Society, 1973, and local board of directors, 1974). Worked in cooperation with the Dean of Students Office--UT in developing and delivering special programs for Veterans and Students Older than Average (SOTA), 1973-1975. Co-led workshop in crisis intervention skills for university administrative personnel, 1975. Also worked with orientation in conducting sensitivity and communication sessions for incoming UT students (200-300 students per session), summer, 1971. Co-led a consultation seminar with the Campus United Ministry, UT-Austin, with Dr. Karl Slaikeu, (CPSC), 1975-1976. Led videotape training session in counseling skills with senior citizens for the Social Services Department, Austin Housing Authority, 1976. On-going consultation with housing managers in residents for the elderly, Austin Housing Authority, and nursing home administrators, 1976 to present. Designed and implemented a video-assisted training package on counseling skills and role clarification for persons exercising a socio-religious ministry in apartment complexes, 1976-1977. Consultant to College of Medicine, Texas A&M University, Greenleaf Hospital and VA Hospital, Temple, Texas on development of geriatric training (1980 to present). Developed Project OASIS for Training paraprofessionals mental health workers for nursing homes, Bryan-College Station. Developed consultation program to MHMR caseworkers by counseling psychology doctoral

students. Developed School Families program to train and provide paraprofessional volunteers to work as adult mentors to middle school children (1991-present).

Career and Vocational Counseling. Career Choice Information Center, UT (1973-1975) program development, counseling and workshop leadership. Developed and led program in Values Clarification. Led workshops in major selection, interest and aptitude analysis, resume writing, job-hunting and interviewing skills. Designed and implemented specific programs for Veterans and Students Older than Average. Worked with assessment and placement of computer personnel (Express Computer Personnel, London, 1973) in various IBM and ICL installations. Taught career counseling course at Texas A&M University. Independent practice of vocational psychology.

Psychotherapy Supervision. 1971-1976. On-site supervision of Advanced Practicum students at CPSC. 1973 to 1976, Counseling Psychology Program, Department of Educational Psychology, supervisor of Beginning and Advanced Practica for doctoral students. Duties included individual and group supervision of trainees, co-teaching seminar on psychotherapeutic process and professional issues, developing and conducting special laboratory on introductory counseling skills using video- feedback, role-playing, and "live" clients. Clinical supervision has been a major role at Texas A&M, Counseling and Assessment Clinic, 1980 to present, for beginning and advanced practica with emphasis on supervision in psychotherapy process.

Workshops and Training. Also led training sessions for campus and community ministers (CPSC), and counseling training for professionals working with older adults. Texas Nursing Home Association, continuing education for nursing home administrators, "Social Intervention Strategies with the Elderly" with Guy E. Shuttlesworth - section on family intervention crisis management and environmental manipulation. Austin State Hospital, group psychotherapy leader for psychology interns, Fall 1978 to Fall 1979. Greenleaf Psychiatric Hospital, Bryan on-going inservice and supervision in geriatrics. Texas Department of Health, inservice training, 1983. Current clients include, Veteran's Medical Center, Temple, Texas, National Association of OBGYN Educators, Texas A&M University Medical School, Department of Psychiatry and Medical Humanities, Texas Department on Aging, Bell County Psychological Association.

Assessment. Administered a wide variety of psychological tests, including aptitude, personality, intellectual ability, organicity, and vocational, projective and objective, with children and adults in a variety of settings: Counseling Psychological Services Center, UT, Career Choice Information Center, UT, various clinics, and school in connection with University College, Dublin. Participated in large-scale educational assessment of children in Weaver Square School, Dublin. Conducted extensive clinical assessment of children and adults, Temple Street Child Guidance Clinic and St. John of God Child Guidance Clinic and Psychiatric Hospital, Dublin. Worked for the Department of Psychology, University College, Dublin, in a large-scale psychological assessment of candidates for the religious ministry throughout England and Ireland. Ongoing assessment at Texas A&M University and in private practice. Currently teach the assessment and personality assessment courses in the TAMU counseling psychology program.

Administration. Institute of Human Development and Family Studies, UT-Austin, Associate Director. Responsible to Dr. Ira Iscoe, Director, For overall administration of this university research center which facilitates and coordinates research in human development across campus. Special responsibility for coordination of research in intergenerational relations and development for later life.

Committee for Gerontology, UT-Austin, Co-Director, with Dr. Guy E. Shuttlesworth. Involved coordination of gerontological activities of some seventy faculty and staff from eighteen departments, schools, and research centers. Activities included multidisciplinary curriculum of approximately twenty- five gerontology courses, covering both physical and social behavioral areas.

Through the Committee for Gerontology, administration of continuing education programs for professionals and older persons, and coordination of interdisciplinary research in aging at UT-Austin.

Program Coordinator and Director of Training, Counseling Psychology Program, Department Educational Psychology, Texas A&M University.

Pastoral and Religious Experience. Ordained Roman Catholic priest (resigned 1974), involved in parish ministry, preaching of missions and retreats, chaplain to US Army and Air Force in Germany (1971-1972), psychological assessment of candidates for the religious ministry in Ireland, England and the USA, workshops on religious and psychological development and change (1989-1999), research on the psychological and religious interface (1998-2000)

## **PERSONAL**

Birthdate: March 9, 1943

Birthplace: Hartlepool, Co Durham, England

Citizenship: United States

Married: Jo Ann Miller (1974)

Children: Sarah Michelle (1977), Clare Marie (1978) Andrew Justin (1987)
